Follow the steps at <a href="http://www.auckland.ac.nz/sso-status">www.auckland.ac.nz/sso-status</a>

Course information	
Course enrolment	<p>Once you have received an offer of place in the COPEX programme, you must accept your offer online in order to enrol. You can then initiate course enrolment at <a href="http://www.auckland.ac.nz/sso-enrol">www.auckland.ac.nz/sso-enrol</a>.</p> <p>Exchange students can now <b>directly enrol into most courses</b> (some exceptions apply).</p> <p>However, you should apply for "concession" to enrol in courses that require Auckland faculty approval. In this process, faculties assess whether your prior study meets relevant course prerequisites and notify you accordingly. In some occasions, you may be asked to provide course outlines/syllabi in English for courses equivalent to Auckland prerequisite requirements.</p> <p>Detailed instructions on course enrolment are also provided in the offer of admission letter.</p>
Full-time study course load	The standard course load for full-time study is 50-60 points per semester or 100-120 points per year. Most courses are weighted 15 points and students generally take four courses per semester. Information on specific credit-points is available in our course catalogue <a href="http://www.auckland.ac.nz/sso-courseadvice">www.auckland.ac.nz/sso-courseadvice</a> .
Hours of study	A standard semester course of 15 points represents 150 hours of study or 10 hours of study per week for 15 weeks (12 teaching weeks and three weeks of study break and examinations). The student workload in the teaching weeks would total 120 hours, made up of lectures, tutorials, seminars, laboratory classes, and other face-to-face contact, plus independent study as appropriate for each course.

Course availability	<p>Course descriptions and schedules are published in <b>early November</b> for the subsequent year (Semesters One and Two).</p> <p>Brief course descriptions as well as information on course prerequisites and restrictions are available in our course catalogue <a href="http://www.auckland.ac.nz/ssc-courseadvice">www.auckland.ac.nz/ssc-courseadvice</a>.</p> <p>For more detailed course descriptions, please refer to relevant faculty websites.</p>
Course selection	<p>Exchange students can select courses across different disciplines provided they meet course prerequisites and the courses are not restricted (see "course restrictions"). Information about our course structure can be found on Student Services Online <a href="http://www.auckland.ac.nz/ssc-enrol">www.auckland.ac.nz/ssc-enrol</a>.</p>

Postgraduate courses	<p>Students who hold the equivalent of a New Zealand undergraduate degree may be able to take postgraduate courses if course prerequisites are met and accepted by the faculty.</p> <p>The exchange programme is restricted to course work only and does not include thesis writing and supervision.</p> <p>Students who wish to take a full-year course load at postgraduate level are advised to apply as an international student to the University of Auckland for a one-year postgraduate programme.</p>

Visa	
Student visa requirements	<p>Exchange students must apply to Immigration New Zealand and obtain their <b>student visa prior to entering New Zealand</b>. Please contact the nearest New Zealand embassy or consulate for details of visa and application requirements: <a href="http://www.immigration.govt.nz">www.immigration.govt.nz</a></p> <p>Exchange students should not enter New Zealand on a visitor visa.</p>
Work restrictions on a student visa	<p>Under current Immigration New Zealand regulations, only exchange students <b>who are undertaking a full-time study for least one academic year and who are part of an approved tertiary student exchange scheme</b> are able to work on a student visa.</p> <p>Eligible students will automatically be given the work right of a maximum of 20 hours in any given week, including holidays.</p> <p>Exchange students who are studying here for one semester only, are <b>not allowed to work</b> on a student visa and are therefore not eligible to apply for a variation of conditions to their student visa.</p> <p>Full details of visa requirements, advice on rights to employment in New Zealand while studying, as well as reporting requirements are available on the Immigration New Zealand website <a href="http://www.immigration.govt.nz">www.immigration.govt.nz</a>.</p> <p>Work restrictions are stated on the Student Visa application guide.</p>

Health and travel insurance	
Mandatory health and travel insurance	<p>All enrolled international students are required to have appropriate health and travel insurance while studying in New Zealand. The University of Auckland's preferred insurance policy for international students is Studentsafe-University. Please refer to Studentsafe University policy wording for full terms and conditions <a href="http://www.auckland.ac.nz/is-insurance">www.auckland.ac.nz/is-insurance</a></p> <p>The Studentsafe insurance fee will be charged to students account automatically upon enrolment. The Studentsafe University insurance fee must be paid unless the University of Auckland approves the use of an alternative insurance provider.</p> <p>Students who have an approved alternative insurance policy may apply for the insurance charge to be waived. Please see our website for a list of</p>

	<p>approved alternative policies. Insurance waiver applications must be received <b>before the second Friday of the semester</b>.</p> <p>Studentsafe-University insurance cover starts 16 days prior to programme start date and ends on a student's arrival back in their country of origin, following completion of their course of study; or on the expiry of their current student visa, whichever is the earlier.</p> <p><b>Australian citizens and residents</b></p> <p>Due to the Reciprocal Health Care Agreement between New Zealand and Australia it is not mandatory for students with Australian citizenship or residency to be covered by the Studentsafe-University insurance policy.</p> <p>However, we strongly advise these students to have appropriate health and travel insurance while studying in New Zealand as medical treatment often incurs a charge. For more information on the reciprocal agreement with Australia please refer to <a href="http://www.health.govt.nz/new-zealand-health-system/eligibility-publicly-funded-health-services/reciprocal-health-agreements">http://www.health.govt.nz/new-zealand-health-system/eligibility-publicly-funded-health-services/reciprocal-health-agreements</a>.</p>
