## Responses for "UNIV: Tell the University of Manchester about Your Experience"

### Instructions:

This Questionnaire is designed for you to provide feedback to The University of Manchester on the overall quality of your international placement and to provide information to help us evaluate the quality of our partnerships and our service provision. It will not be made public to other students or our partners. (If you wish to provide feedback on your experience and advice to others please use the Share Your Experience questionnaire which is shared with prospective students). Not all questions are compulsory but we would appreciate it if you could complete this as fully as possible.

1. How would you rate the support provided by your academic school at The UoM?

---

5

2. How would you rate the support provided by the International Programmes Office at The UoM?

For students on IPO managed placements only.

---

5

3. Do you have any comments about the support provided by the IPO or your academic School?

Please let us know if you have any additional comments about the support you received from your school or the IPO, both before and during your placement. Did the pre-departure process provide you with sufficient preparation for your placement? Do you feel like you had enough contact while you were

away? Did you have enough academic contact to prepare you for your return to study at Manchester? Please let us know if you have any suggestions for how support for students on international placement could be improved.

---

The IPO could always answer my questions and gave me help on time.

4. Did you find the pre-departure briefing at Manchester useful?

---

3

5. Is there anything that you wish The UoM had provided more information about before you left?

---

I reckon to provide more information to specific information on specific university.

6. How useful did you find the testimonials from former international placement students?

---

4

7. How would you rate the support provided by your host institution or organisation?

---

4

8. Do you have any comments about the support provided by your host institution or organisation?

What was your overall experience at the host institution or organisation? If you needed to access any of the professional support services, such as Disability or Counselling, how did you find this experience?

---

No Response

9. Was there an arrival orientation at the partner institution/ organisation?

---

YES

10. Did you find the arrival orientation useful?

---

3

11. What did the arrival orientation involve?

---

More about the introduction to the university and the country, and also introduce about their clubs and society, for example, how can we get involved in this university.

12. How would you rate your academic or professional experience at the host university or organisation?

---

5

13. Do you have any comments about your academic or professional experience?

For study placements - you may wish to comment on the style of teaching, the modules you took, ease of access to modules, workload, method of assessment, teaching support etc.

For work placements - you may wish to comment on the type of work you were doing, the mentoring and support provided by the company, the level of responsibility you were assigned etc.

These comments should relate to the quality of your experience. If you want to give specific advice to future students please use the section in the Testimonial questionnaire as information there is shared with future students.

---

I am so fortunate that I have chosen this uni, as most of the professors are so kind and happy to help. They offered very different teaching programs and experience from UoM. Their way of teaching allows students to engage and pay more attention in the class.

14. How was the process of finding accommodation at your host institution/ organisation?

These comments should relate to the quality of your experience e.g.how easy or hard it was to find, how suitable the accommodation was, the assistance you received in finding accommodation etc. If you want to give specific advice to future students please use the section in the Testimonial questionnaire as information there is shared with future students.

---

I booked my accommodation directly from the uni web while the process was a kind of complex. Fortunately, the place I lived was a new-built lodge. All of the facilities were brand new.

15. Did you feel safe on your placement? If not, why not?

Did you feel there were any aspects of your placement where safety and security were an issue? Was on-site security adequate at your institution or organisation? Were there any no-go areas in or around the location of your placement or your accommodation?

Yes, it was a safe place to live.

16. How much do you feel your international placement has had a positive impact academically?

---

4

17. What is your overall impression of the experience?

Please share any highlights or challenges of your placement experience.

---

This was such an amazing experience for me. I've gotten a lot of friends there and I quite enjoy the learning process there.

18. Were you given sufficient information about the range of international placement options?

Do you feel you were given sufficient information about the range of international placement opportunities when making your initial application? Were there any opportunities that you feel could have been promoted better?

---

Not very sufficient.

19. How much do you feel your international placement has had a positive impact on your employability?

---

3

20. If you self-arranged your own placement, how did you find the experience?

e.g. Did you feel you had enough support from the University when arranging your placement? How straightforward did you find the process for gaining approval for your placement? Do you have any comments on how this process could be improved?

---

No Response

21. How would you rate the Study and Work Abroad Handbook?

---

3

22. How was your experience of using the My Placement system?

Please comment on your experience of using the web-based My Placement system when you were applying for your placement and while overseas. Was there sufficient guidance on how to use the system? Was it easy to access both while at Manchester and while abroad?

---

The system is not very sufficient.

23. Is there anything else you would like to add?

---

No Response
